

Our Mission Statement

MTM Flooring, LLC specializes in exotic woods and has the depth and credible knowledge in our field of work. MTM's main goals are quality and attention to detail. Focusing on our client relationships and maintaining high levels of performance we are able to achieve our goals. Our work ethic is to bring back old school craftsmanship with modern use of material.

Field experience assures commercial & residential productivity with superior quality. This balance sets us apart from our competitors. Our past experience provides us with troubleshooting skills and creative problem solving skills. How does MTM Flooring, LLC plan to maintain such a level of performance? Simple, field installations are done by the owners.

As always, MTM Flooring, LLC gives free estimates in order to provide you with the best choice that fits your needs. We are just a phone call away and as always we will beat any competitors quote.

We sell and install a variety of flooring brands:

If you cannot refer MTM FLOORING to your closest friend or relative after your purchase, let us know. We want to make it right for you. Our philosophy is not only to have a satisfied customer but a loyal one as well for many years. We depend on repeat customers and referrals to be successful as we have been for the past 4 years. Please don't hesitate to call or write to me personally.

Stop by our showroom today to see our high-quality products

Or

Call for a **free in-home consultation** where we will bring samples to you.

Depend on the experts from **MTM Flooring** for professional flooring installation services for your commercial or residential property. With more than 7 years of industry experience and 5 years in the business, our owner does all of the installation himself and works with only top quality brands and flooring materials. Most of our business comes from word-of-mouth and referrals, which proves that our services provide 100% customer satisfaction. For your convenience, our staff works nights and weekends to work around your schedule. We also have experienced connections to call for assistance with larger projects, so no job is too big or too small.
